Will your watch keep ship's chronometer time.
South Bend Watches, carried upon long sea voyages and protected only by an ordinary watch case, exposed to every variation of position, temperature and the incessant vibration and roll of the ship, keep perfect time, second for second, with the carefully guarded and accurate chronometer which every sea going vessel is compelled to carry.

They are proof also against railway travel, horseback riding, automobile, or any of the many jolts and jars and bangs of everyday use. We will be pleased to show you our line of these watches at any time.

Nervous Women

For nervous, tired women, we recommend Cardui. Cardui is a woman's medicine. It acts specifically on the female organs and has a tonic, building effect on the whole system. It contains no harmful ingredients, being a pure vegetable extract. If you suffer from some form of female trouble, get Cardui at once and give it a fair trial.

TAKE CARDUI

It Will Help You

Mrs. W. W. Gardner, of Paducah, Ky., tried Cardui and writes: "I think Cardui is just grand. I have been using it for eleven years. I am 48 years old and feel like a different woman, since I have been taking it. I used to suffer from bearing down pains, nervousness and sleeplessness, but now the pains are all gone and I sleep good. I highly recommend Cardui for young and old." Try it.
